Traversing a long journey of 50 glorious years, the college celebrated it's golden jubilee in 2014. Being located in tribal & backward class dominated belt , the college is striving hard to cater to the needs of students through UG & PG programs in all the four faculties' art, science, home science & commerce.

Rajnandgaon is important districts headquarter of Chhattisgarh state. It is situated on national highway NH 6 and Howrah – Mumbai rail line. The nearest airport is Raipur about 78 km. away from the venue. The college is about 2 km. from the bus stand and 5 km. from the railway station. The weather is pleasant during March.

ABOUT NCW:

The national commission for women was set up as statutory body in January 1992 under the national commission for women act, 1990 with a mandate to safeguard the constitutional rights of women. In keeping with its mandate, the commission has, has from time to time taken various initiative for gender awareness in the society against various social evils affecting rights of women.

ABOUT LEGAL AWARENESS PROGRAMME:

Gender based discrimination exist throughout society, from organizational planning to the everyday interaction at the workplace and public space.

The Latin phrase:”ignorantia juris non excusat” which is applied universally provides that' ignorance of law is no excuse'. But the reality of our existing legal system is, that a large section of the population is handicapped by poverty, illiteracy and ignorance of law coupled with the complexity and obscurity of laws made and declared by the legislation. The preamble of the constitution, which promises economic social and political, justice is beyond the reach of the large segment of the society. There is an urgent need to spread legal awareness amongst the people particularly the women of our country need to be imparted with knowledge of legislations made by the parliament for their welfare and security. Being a pioneer women Institution in the area, this workshop is a Nano attempt to create awareness in this direction.
